

CLASS: 602-05/22-05/09

ENTRY NR: 2156-18-22-06-01

Opatija, July 5, 2022

On the basis of Article 77 of the Act on Scientific Activity and Higher Education (NN 123/03, 198/03, 105/04, 174/04, 02/07, 46/07, 45/09, 63/11, 94/13, 139/13, 101/14, 60/15, 131/17) and article 6 of the Rulebook on Postgraduate University Studies (Doctoral Studies) at the Faculty of Tourism and Hospitality Management – codified text of 10th September 2018 (CLASS: 003-05/15-01/04, ENTRY NR: 2156/24-18-02-05) and Article 29 of the Statute of the Faculty of Tourism and Hospitality Management – codified text (CLASS: 003-05/15-01/08, ENTRY NR: 2156/24-21-01-06) of 15th March 2021, at the suggestion of the Council of Doctoral Study “Management of Sustainable Development”, the Council of the Faculty of Tourism and Hospitality Management on its regular 33th meeting held on 5th July 2022 adopted the following

DECISION
on PUBLIC CALL FOR ENROLLMENT
of candidates for Postgraduate University Doctoral Study
“Management of Sustainable Development”
for acquiring the academic degree of Doctor of Science in the area of Social sciences, field of Economics
in the academic year 2022/2023

On the basis of articles 11 to 13 a of the Rulebook on Postgraduate University Studies (Doctoral Studies) at the Faculty of Tourism and Hospitality Management (CLASS: 602-04/21-01/186, ENTRY NR: 2156/24-21-06-01-01) of 17th June 2021:

Right to apply for enrolment have the applicants who:

- according to previous regulations, have graduated from an appropriate pre-Bologna four- year university study, upon which completion a university degree in the field of economics has been acquired or
- have completed a graduate university study according to the principles of the Bologna process, by whose completion they have gained at least 300 ECTS-points and acquired the academic title Master of Economics (mag. oec.).

Right to apply for enrolment also have the applicants who have completed the studies listed below:

- an appropriate postgraduate scientific (Masters) programme in the field of economics (recognition of 80 ECTS) or
- the applicants who have just to prepare and defend the master thesis in the field of economics (recognition of 60 ECTS) or
- an appropriate postgraduate university specialist (Bologna) programme in the field of economics (recognition of 50 ECTS) or
- the applicants who have just to prepare and defend the specialist thesis in the field of economics (recognition of 35 ECTS).

Exceptionally, due to its specific programme, right to apply for enrolment to the Postgraduate University Doctoral Study “Management of Sustainable Development” have the applicants who have:

- completed the first and second level of education, but not in the field of economics and acquired 300 ECTS, provided that from the moment of enrolment application for the postgraduate studies (doctoral studies), they have passed the courses “Macroeconomics” and “Microeconomics”,
- completed a four-year pre-Bologna university study, but not in the field of economics, provided that from the moment of enrolment application for the doctoral studies until the start of classes in the first semester of the first academic year, they have passed the courses “Macroeconomics and Microeconomics”.

The tuition fee will be determined according to the recognized ECTS credits.

Applicants must have a good command of English, which they prove with their student certificate or other document.

Right to apply for enrolment have Croatian and foreign citizens.

The application must contain:

- the application for admission to doctoral study and recommendation of one (1) or two (2) university teachers, depending on the achieved grade point average
- certified copy of diploma (for each level of education)

- transcript and GPA / Diploma Supplement – original or certified copy (for each level of education)
- curriculum vitae (CV)
- [Admission Research Proposal](#) in Croatian and English
- documentation for recognition of additional criteria
- decision on payment if the tuition fee is paid by a legal entity
- applicants who finished their study abroad have to enclose the Decision on recognition of foreign higher education qualifications for the purpose of continuing the higher education in the Republic of Croatia (academic recognition) issued by the Office for the academic recognition of higher education qualifications and period of study at the University of Rijeka
- foreign nationals are obligated to provide citizenship certificate – original document or certified copy (or passport for foreign citizens) and birth certificate – original document or certified copy (not older than 6 months).

Enrolment criteria:

A postgraduate university study (doctoral study) may be enrolled by a person who has an appropriate prior education in economics or has completed the first and second level of education, but not in the field of economics and acquired 300 ECTS, provided they pass the courses “Macroeconomics” and “Microeconomics”, an achieved grade point average of 3.6 or higher, and the recommendation of at least one (1) university teacher.

Applicants with a grade point average lower than 3.6 may be enrolled only with a written recommendation from at least two (2) university teachers, but only if they have other professional and scientific references.

Applicants are ranked based on the following criteria (maximum 100 points):

- GPA achieved during the first and second level of university studies (weighted GPA, maximum of 50 points)
- employment at the scientific-educational or scientific institution (10 points)
- scientific papers published in scientific publications cited in the databases according to the valid national criteria set by the Rulebook for selecting and awarding scientific titles (NN 28/2017), whereby category A1 is awarded with 10 points and category A2 with 5 points (maximum of 10 points)
- acknowledgements or awards (state or international level) for scientific activities (10 points)
- interview with the Committee for the doctoral study enrolment about the expected scientific contribution of research topic, based on which the appropriateness and validity of proposed topic and expected scientific contribution, possibility to ensure a suitable mentor and the applicant’s knowledge of English language are evaluated. This is the eliminating criterion. (maximum 20 points).

Applicants who do not exceed the minimum score threshold of 35 points cannot enrol.

Realization of doctoral study

Postgraduate University Doctoral Study is performed in two forms: full-time (full-time studies) or part-time (part-time studies).

Admission threshold

It is defined by approved enrollment quota of 30 students. Ten (10) students enroll as full-time and twenty (20) as part-time. If a sufficient number of candidates do not apply to the study, the Faculty reserves the right not to open the doctoral study for this academic year.

Duration of study

Three (3) years – six (6) semesters, with its completion student acquires 180 ECTS credits.

Cost of study

The tuition fee for a three-year doctoral study in the amount of EUR 12,500.00 expressed in Croatian kuna (or the amount reduced according to the number of recognized ECTS credits) on the day of payment, based on the exchange rate of the Croatian National Bank.
