and Hospitality
Management,
Opatija, Croatia

If you are a researcher, academic, student or practitioner with a great interest in advancing and applying contemporary statistical methods, you are welcome to attend the conference. Worldwide promotion, dissemination and popularization of statistics is our mission, while exchanging ideas, knowledge and experiences as well as collaborating with colleagues, friends and other participants are highly beneficial and appreciated. Authors are encouraged to submit post-conference full papers at their convenience for potential publication in the CREBSS journal using [Open Journal System](#)

Registration Fee

CSA/CRORS/SSI member	200 €
Non-member	250 €
Student, accompanying person or listener (not author or co-author)	150 €
