The class calendar will help you to follow your schedule more easily. In full-time study, the schedule is divided into five weeks and each week you will attend three hours of lectures and seminars for each course. Classes are held in classrooms (onsite).

The first week of classes will take place in two calendar weeks. In the week of 2 February 2026, classes will be on Tuesdays and Thursdays, and in the week of 9 February 2026 on Mondays and Wednesdays to make it easier to meet obligations for the final exams of the winter semester. In the week of 16 February 2026 until the end of classes (until 12 March 2026.), classes will be held from Monday to Thursday according to the schedule.

Good luck with your studies!
